Thank you for your interest in vacationing at the Butternut Lake A-Frame vacation home.

Please complete and return the reservation form below with your deposit of \$150. I will then send you a receipt confirming your reservation for the time you have selected. Also included will be driving instructions, information on the facilities, and a map of the lake and nearby area. Contact me if you have any remaining questions.

Please mail your check for your rental and any other charges so that it reaches me at least two weeks before your initial reservation date. The back door (away from the lake) will be open for you and you will find a key to that door on the dining table. I will return your security deposit of \$150 by mail after your departure. In the event you find it necessary to cancel your reservation, the deposit is refundable if I am able to rent to another party during the time of your reservation.
